<b>CASE</b>			
<b>IHPC COA: 2014-COA-348 (HMP)</b>		<ul style="list-style-type: none"> <li>Add dormers and stairway to existing non-historic garage</li> </ul>	
<b>STAFF RECOMMENDATION:</b>		Continue to the September 9, 2014 Administrative hearing	

<b>STAFF COMMENTS</b>
-----------------------

This case was initially docketed for an IHPC public hearing because it was thought that the dormer addition was on the primary house. It was later learned that the dormer addition is on the garage. Since the addition will not result in a dwelling unit, IHPC policies allow this to be heard by the Hearing Officer.
